REASONS FOR ALLOWANCE

- 1. Claims 1, 3-4, 6-7 are allowed.
- 2. The following is an examiner's statement of reasons for allowance:

Claim 1, 3-4 recite, inter alia, the unit turn portions of small inner peripheral length being at least partly forced inwardly of the unit turn portions of great inner peripheral length.

Claim 6-7 recite, inter alia; the partly finished coil to thereby force the unit turn portions of small inner peripheral length at least partly inwardly of the unit turn portions of great inner peripheral length from among the unit turn portions providing each of the unit coil portions, thereby making each of the unit coil portions at least partly multi-layered.

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
